

# FIRM PROFILE

**F**ounded in 1976, Bryant Associates, Inc. (Bryant) is a professional consulting firm that provides civil, structural and traffic engineering, water resources, construction management and surveying services to public and private clients throughout the Northeast, Midwest and Mid-Atlantic regions.

Bryant is a minority and disadvantaged business enterprise (MBE/DBE) certified by various states, government agencies, counties, cities and towns. Our public sector clients include local, state and federal environmental management agencies, facility management agencies, housing authorities, parks and recreation departments, public works agencies, municipalities and transportation agencies. Our private sector clients include architects, contractors, developers, engineering firms, corporations and institutions.

Bryant provides a range of consulting services for new and rehabilitation water and wastewater projects, and is adept at solving drainage, flooding and wastewater issues. We have a long history of working with local utilities, municipalities, cities and counties and are adept at addressing issues that may arise in the process of permitting and stakeholder coordination. Our capabilities include:

## Water/Wastewater

- Combined Sewer Overflows (CSO)
- Manhole Inspection
- Pipeline Rehabilitation
- Sanitary Sewer System Evaluation Study (SSES)
- Stormwater Management
  - Stormwater Reuse
  - Underground Storage
- Trenchless Technologies
- Water/Wastewater Systems

Clients choose Bryant because of our commitment to quality, our knowledge of their needs, standards and constraints, and our proficient and thoughtful professional team of engineers, construction managers, inspectors and a skilled and creative technical and administrative staff.

We regularly work both as a prime and subconsultant and often collaborate with professional peers and organizations that complement our skills and experience, to build teams with diverse capabilities. We are quality driven and our leadership team is accessible, involved and available.
